To the members of South Church Cabinet,
Peabody Mass.

Dear Friends:- Since Jan. 16th to date, the pastor has prepared and delivered nine sermons and public addresses, and attended 43 meetings of various kinds in his official capacity at which the various activities of the church have been promoted. These gatherings have included a wide range from the regular public Sunday and mid-week services of the church to subordinate committee meetings under the auspices of our auxiliary societies. Exclusive of a large number of ministerial visits made necessary by the promotion of our proposed series of lenten services, he has made fifteen pastoral calls and written 16 pastoral letters, the latter being largely communications with our absent members (this does not include the circular mimeograph letters which are being sent out to our absentees). There has been one funeral and one wedding since last report. The roll of the church being diminished by the death of Mrs. Enlind

The pastor regards the month of February as important chiefly as a month of preparation for the coming four weeks of services which begin on March 17th and continue to include April 12th. After conference with Board of Deacons, arrangements have been made for these services as follows:

Beginning Sunday evening March 17th, the pastor will deliver

To the members of South Church Cabinet,

Peabody, Mass.

Dear Friends:- Since Jan. 15th to date, the pastor has pre-
pared and delivered nine sermons and public addresses, and attended
to meetings of various kinds in his official capacity at which the
various activities of the church have been promoted. These gather-
ings have included a wide range from the regular public Sunday and
mid-week services of the church to subordinate committee meetings
under the auspices of our auxiliary societies. Exclusive of a
large number of ministerial visits made necessary by the promotion
of our proposed series of pastor services, he has made fifteen pastoral
calls and written 18 pastoral letters, the latter being largely com-
munications with our absent members (this does not include the cir-
cular mimeograph letters which are being sent out to our absentees).
There has been one funeral and one wedding since last report. The
roll of the church being furnished by the pastor to Mrs. Boland
The pastor regards the month of February as important chief-
ly as a month of preparation for the coming four weeks of services
which began on March 17th and continue to include April 15th. After
conferences with Board of Deacons, arrangements have been made for those
services as follows:
Beginning Sunday evening March 17th, the pastor will deliver

a series of four evangelistic sermons on successive sunday evenings. The remaining special services will be conducted by invited speakers on Tuesday and Friday evenings of each week during the period. So far as arranged at present the schedule is as follows:

Fri.	"	22	-	Rev.Cornelius Patton,D.D. of Boston
Sun.	"	24	-	the pastor
Tues.	"	26	-	Rev.Albert Parker Fitch,D.D. of Boston

Sun.	"	7	-	the pastor
Tues.	"	9	-	Rev.W.A.Knight
Fri.	"	12	-	Rev.E.H.Byington

In addition to the arrangements for these meetings the pastor has been busy organizing the training class of young people for study and instruction in the fundamentals of the Life. On the success of these two projects,viz.,the special meetings and the training class, depends the size and importance of our spiritual harvest. I therefore urge upon the members of the Cabinet that we each one endeavor to co-operate with both movements to the full extent of our power that the harvest may be adequate and gratifying alike to us the reapers and to Him who is the Lord of the Harvest.

Respectfully submitted
